

South Florida based Health-Fit Chiropractic & Sports Medicine (www.healthfitchiro.com) is looking for a licensed Chiropractor who is certified in Active Release Techniques and/or Graston Technique, as well as proficient in functional rehabilitation. We currently operate two sports chiropractic offices in Boca Raton and Miami, FL and are looking to expand into Ft. Lauderdale, FL.

This position is a high level opportunity to work with professional athletes in Ft. Lauderdale, FL with Tony Villani (www.xpesports.com) and myself in a hybrid sports medicine and sports training facility. Tony Villani is one of the top sports trainers in the U.S. and we have been his clinical director for 7 years.

Due to the level of this opportunity, we are looking for a chiropractor who has a minimum of 2 years experience. We can guide and integrate the right chiro into Florida licensure if you are coming from outside of Florida.

The Ft. Lauderdale office will be a new office location, but will have a staff, full marketing team, and built in referral system with the athletes who are trained at the facility. You will also have the opportunity to work directly with Tony Villani and his NFL Combine Training Program that runs from December-March. Last year we had 4 first-round picks.

The projected start date for this position is February/March 2017. The Chiropractor will have buy-in opportunity in place.

Please submit your cover letter and CV to drkchristie@gmail.com
