F: 918.543.2149

## Independent Contractor position available in Broken Arrow, OK.

We are looking for a DC who understands the functional model of care, but Doc is free to use any techniques and treatment methods at his/her discretion as long as they are evidence-based.

Doc will have large room chiropractic table included with a door to use exclusively. Full use of practice management software will be available if needed. Other equipment will be available for use in office including drx9000 spinal decompression. Doc will have the option to use our practice name and logo under certain terms and conditions. I run two offices splitting time between both Doc will have benefit of taking on some of my overflow when schedule is full and taking my walk-ins while I'm at other location.

Contract fees can be either a flat-rate monthly rent or by percentage of collections with a cap depending on Doc's preference.

If you are interested, then please send an email with your contact info and your CV/resume to [drcook@tds.net](mailto:drcook@tds.net). Our website is [www.jasoncookdc.com](http://www.jasoncookdc.com) for more info about our practice.
