IMMEDIATE CHIROPRACTIC POSITION AVAILABLE

I am looking for a full time chiropractor to work with me in my practice in Florence, Kentucky. I have been in private practice in Florence for 21 years. The practice is doing very well and I am at my max capacity treating my limit (approximately 50 patients) per day. I practice using mainly Diversified technique as well as adjunctive therapies such as interferential, ultrasound, Cox Flexion-Distraction, cervical and lumbar decompression. I have two licensed massage therapists on staff along with an athletic trainer for exercise training and conditioning. We have a CR digital x-ray machine and all radiographs are over read via the internet by Radiology Associates of Northern Kentucky through St. Elizabeth Hospital. The office is located in a 5,000 square foot, beautiful free standing professional building. We do not advertise other than a single listing in the yellow pages and our practice is based solely on referrals from patients and the medical community in Northern Kentucky. Check out our web site for more details at www.florencechiropractic.com.

If you are interested in discussing this position, please contact me at dr.cathy@florencechiropractic.com, on my cell (859) 250-0705 or at the office (859) 525-2994.

Thank you!
Cathy Gratkowski, D.C.
