

## **South Suburban Chicago Physical Medicine & Functional Medicine Hybrid Practice For Sale**

Profitable turnkey 6 year old hybrid practice of physical medicine & functional medicine for sale in the Southwest Suburbs of Chicago. Our services include chiropractic, rehabilitation, acupuncture, massage, sports medicine and functional medicine. Projected growth, loyal patient base, great street visibility, easy access to public transportation (Metra), close proximity to the expressway (I-80), a diverse income stream (60 % insurance, 10% personal injury & 30% cash), and a friendly staff that will stay with the practice are all reasons you should buy this practice. 2015 collections of 202,400. 2014 collections of \$178,400. 12% 2015 growth. Practice asking price is \$125,000. Owners are willing to offer partial financing for the right candidate. Great opportunity for a first-time practice owner, a new grad or an established chiropractor looking to expand their practice. Owner is leaving the state but will stay for a smooth transition.
