

Hello,

My name is Dr. Tim Leonard. I have a private practice in Central Illinois and I am looking for an associate or Independent contractor with the intent of this individual possibly taking over my practice. I also am an ATC and work for the local hospital doing performance training and also farm so I'm in need of help. I can be reached at [dctimbo@gmail.com](mailto:dctimbo@gmail.com) or 217.781.3756.

Thanks,

Tim Leonard
