

December 17, 2013

Busy integrated office in MCKINNEY, TEXAS is seeking an associate doctor fluent in Motion Palpation. We have 2 DC's, a DO, PA, Personal trainer, and Massage Therapist on our team and need another DC to take over the primary adjusting as the owner doctor needs the time to manage the office and to expand. We have a great staff, a great philosophy, and an incredible product of integrated care that focuses on chiropractic and rehab. Having knowledge of rehabilitation is a positive. We will train you on patient management, nutrition, rehab, muscle work, and business. We are looking for a long term doc for our team, not someone who wants to be here for a year and go open their own office. There is opportunity as we expand to run your own office under our umbrella with amazing financial reward. Starting salary is \$45-50K plus bonus plus malpractice coverage. We will fly you down to spend a day in the office if you are a fit. We will also help with relocation costs. McKinney is the #2 place to live in the country according to Forbes magazine. It is a great place to raise a family and the economy is booming.

Send your resume to Dr. Todd Molski: docmol@aol.com
