

ASSOCIATE/PARTNERSHIP OPPORTUNITY

There is a unique opportunity at Needham Chiropractic Associates, P.C., Needham, MA, for the right practitioner to join our practice.

Dr. Peter A. Gale, who started the practice 32 years ago, is one of the original Motion Palpation Institute instructors, along with the founder of the institute, Len Faye, D.C.

Dr. Gale is also an A.R.T. soft tissue instructor.

We have a position in our 2 doctor clinic for a well trained and like minded chiropractor. This opportunity also has the potential for a partial buy-in to the partnership.
